

2nd Cooks for Alberta Fire Base Camps

Do you take **pride** in your work? Do you thrive under pressure? Do you want to **help support** the courageous men and women fighting fires in Alberta by giving them a home away from home? **Redrock Camps** is looking for hard working Second Cooks to join their team and help provide our hardworking firefighters with delicious fresh cooked meals.

If you have:

- Previous experience working in a remote camp
- A valid Food Safe certificate
- A desire to be part of a hard-working team we want to hear from you!

As the 2nd Cook you will:

- Be responsible for **assisting the First Cook** with meal preparation
- Prepare all pastries, bread and desserts from scratch
- Prepare a hearty nutritious breakfast
- Prepare sandwiches and salads
- Stay cool under pressure
- Take pride in your work
- Be prepared to do what it takes from cooking to cleaning and yes even dishes
- Always provide service with a smile

To be successful, you need to:

- Have current Food Safe and First Aid certificates
- Previous camp cooking experience
- Have a positive attitude
- Be a team player
- Be organized
- Proficient in managing your time
- Be able to multi-task
- You must also be ready to go out to camp on very short notice

The fine print:

This job is seasonal for the Fire Base Camps during fire season across Alberta. Exact finish dates will be determined by our client's needs and may be last minute due to the highly unpredictable nature of this work.

At **Redrock**, our success is built on the foundations of our core values: **teamwork, loyalty, communication and consistency**. We are in the business of taking care of people while they work in isolated locations. We concentrate on the welfare of both our clients and employees by designing our operations to meet the needs of people, regardless of location.
