

Moodle, Collaborate Ultra and CLASS Technical Requirements

Modified on: Thu, Jul 25, 2024 11:19 AM

Browser support

Moodle is compatible with any standard compliant web browser. We regularly test Moodle with the following browsers:

Desktop:

- Google Chrome (recommended)
- Microsoft Edge (recommended)
- Firefox
- Safari

Mobile:

- Google Chrome (recommended)
- Microsoft Edge (recommended)
- Mobile Safari

For the best experience and optimum security, we recommend that you keep your browser up to date. <https://www.whatsmybrowser.org>

Online Classrooms:
