Our Mission to You:

As a certified Great Place to Work®, Seasons believes that every single team member plays an important role in the overall happiness of our residents. We foster a culture of growth and support for our committed team members and offer opportunities for personal and professional development to advance a rewarding career in the seniors housing sector.

What We Look For:

Seasons looks for individuals who are enthusiastic about making a positive difference in the life of another person. We hire individuals who are committed to building meaningful relationships and strive for service excellence so our residents can be proud to call Seasons their home. Keen attention to details, going the extra mile and putting a little “wow” into everything we do is the Seasons way!

Your Job: We're looking for a Licensed Practical Nurse to act as a Supervisor providing the highest standard of care services at Seasons. This role will assist in maintaining a safe and secure environment for residents, their families' and other staff members while mentoring and providing direction and education to our care staff and other team members'.

Responsibilities:

- Effectively utilizing the nursing process to provide high quality nursing care to residents
- Supervisory duties including ensuring excellent care services to Seasons' residents and providing mentoring/education/guidance to the care team on an ongoing basis
- Assessments of residents moving into Seasons community and following up with residents throughout the transition to community (30 days after move in, annually and with any significant change as per CCHSS)
- Establish priorities based on individual resident needs
- Providing Person Centre Service Plans (PCC)
- Ensuring compliance with Resident Assessments/Service Plans (PCC) and follows community specific policies, procedures and Alberta Health Services (AHS) regulations
- Risk management by adhering to thorough monthly care related audits
- Medication administration (PCC knowledge an asset)

Qualifications or Skills Required:

- Current Registered Nurse License in good standing with CLPNA
- Current First Aid and CPR certification

- Strong verbal and written communication skills
- Must be prepared to respond to emergency situations
- Experience working with seniors in a retirement or long-term care facility environment is considered an asset
- Strong leadership and supervisory skills in relation to both residents and care staff
- Point-Click-Care (PCC) knowledge is considered an asset
