Read & Write

Download and Installation Instructions for use at home

Portage College

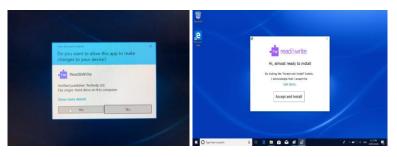

- 1. Go to https://support.texthelp.com/help/readwrite-software-downloads.
- 2. If you use Windows PC, scroll down to Read & Write for Windows-Canada and click on Read & Write for Windows (MSI)-Group/Unlimited License. The download should begin automatically. The program downloads automatically to the "Downloads" folder on your computer. Click on the small down arrow and **Show in Folder**.

or if you use a different platform (Mac OS, Google Chrome, Apps (iPad or Android) or Microsoft Edge), click on that platform:

- 3. Double click the file called read&write.exe and install the program by following the on-screen prompts.
- 4. Click on **Yes** to allow the application to install:

5. Once installed you will see the Read & Write toolbar at the top of your screen. Click the **login button** (person icon) at the top right.

- 6. Select "Sign in with Microsoft" as the sign in method on the window that comes up.
- 7. Enter your Portage College email address in the format of: **student_id@mymail.portagecollege.ca** (replace student id with your actual student ID number) and **click Next.**

8. Enter your **student ID** and **password** as prompted and **click Log In**. You will have to answer your security questions as the final step. You may be prompted to restart your computer as Read & Write updates the software in the background.

You can now start using Read & Write on your device.

Please contact a member of the SLS Team if you have questions on the various functions of the program.
