### ABOUT THE POSITION

Portage College is actively seeking a highly motivated and engaged individual with experience in wildlife identification and management to join our team of instructors in the Environmental Technology program.

Some of the responsibilities include:

- Theory and practical instruction in the College's Environmental Technologist program.
- Preparation and delivery of subjects both in lectures and field labs.
- Assist with curriculum development and/or revision.
- Develop exams, quizzes and other evaluation material for students.
- Manage and evaluate student progress in the program.
- Instruction will cover areas of Fish and Wildlife, Fisheries, Wildlife Techniques, Statistics, Environmental Law, and other related topics.

### QUALIFICATIONS AND EXPERIENCE

- Master's degree or PhD in wildlife, biology, environmental sciences, forestry. Related disciplines may be considered.
- Minimum 5 years of extensive field experience in the natural resources sector, specifically in wildlife management, protection, or enforcement.
- Registered with or eligible to register with the Alberta Society of Professional Biology
- Interest in conducting research is important.
- Previous experience instructing adult learners at a post-secondary institution would be beneficial.
- Excellent communication, organization, and leadership skills.
- Ability to work effectively independently.
- Knowledge or experience with Moodle or other Learning Management System would be an asset.
- Strong computer skills, especially with MS Office is essential.
- A valid Class 5 drivers license and be willing to obtain a Class 4 license, as travel will be required.
- Successful applicant will be required to provide a current police information check.

### ABOUT THE COLLEGE

We acknowledge that Portage College's service region is on the traditional lands of First Nation Peoples, the owners of Treaty 6, 8 and 10, which are also homelands to the Métis people. We honour the history and culture of all people who first lived and gathered in these lands.

Portage College has been serving the region for more than 50 years and is a first choice post-secondary institution for learners in northeast Alberta. You will find that we are a college that combines quality with innovation. In fact, Portage College is considered a leader when it comes to providing students with a flexible first-class educational experience. We offer a wide range of programs in health and wellness, business, human services, university transfer, food sciences, trades and technology, native arts and culture, and in academics for career and education.

As a member of the Faculty Association, our instructors have access to a number of benefits that include generous vacation days (42 vacation days/year plus other paid time off), participation in the College pension plan, excellent health and dental benefits, and access to a strong professional development fund that allows employees to grow and develop professionally by taking college or university courses, or attending conferences or workshops.

## HOW TO APPLY

Portage College is committed to building a skilled, diverse workforce reflective of Canadian society.

If you have the right qualifications, experience and motivation to do extraordinary things at Portage College, we would love to hear from you. Email your cover letter and resume to [hr@portagecollege.ca](mailto:hr@portagecollege.ca). If you have any questions, call us at **780-623-5747**. Please note we do not accept third-party resume and cover letter submissions.

The College appreciates the interest of all applicants, however, only those selected for an interview will be contacted.
