Looking for a Great Helper

Hi, I'm Dave, owner of Fleetwood Construction in Cold Lake.

After many years in the construction industry, I've discovered that the best helpers aren't always the ones with the most experience—they're the ones who are dependable, enjoy learning, and take pride in doing quality work.

I'm looking for someone to work alongside me on a variety of renovation and construction projects.

This isn't repetitive production work. Every day is a little different, and I enjoy teaching someone who genuinely wants to learn the trade.

Some of the work includes:

- Flooring installation
- Ceramic tile installation
- * Painting
- * Trim and finishing
- Cabinet installation and construction
- Masonry brickwork
- * General renovations
- * Job site organization
- * Clean-up
- * A little problem-solving along the way

Experience is certainly an asset, but it isn't the most important thing.

What matters most to me is someone who:

- * Shows up when they say they will.
- * Takes pride in doing quality work.
- * Pays attention to the little details.
- * Enjoys learning new skills.
- * Works well with others.
- * Has a positive attitude and good sense of humour.

If you're dependable, willing to learn, and enjoy seeing a project come together, I'd love to meet you.

When you reply, please tell me:

1. Why you think you'd be a good fit.
2. What days and hours you're generally available.

Please include your name, phone number and a little about yourself.

Send me a text at **780 826 1050** or email me at **Fleetcon@gmail.com**

Please, no phone calls.

I look forward to hearing from you. Dave, Fleetwood Construction Ltd., Cold Lake
